3. COMMENTARY
Whilst the Group had a consistent solid operating performance, the results for the period was negatively impacted as a result of the further downward fair value movement in the market value of the investments including a foreign exchange loss, compared to comparative period in the prior year. The diversified investment portfolio is largely equity based and declined in line with the world wide equity markets, with an inevitable market recovery in the period ahead. The Group has allocated funds for the further development of its software intellectual property, which will be capitalized to the Balance sheet of Blue Sapphire according to a change in accounting policy.

The Company currently holds 100% equity in Afriswitch Ltd ('Afriswitch'), 100% equity in Blue Sapphire S.A ('Blue Sapphire'), and 100% equity in Vivere Global Ltd ('Vivere').

Business Activity of Afriswitch
The principal activity of Afriswitch is an investment holding company and it also provide services to the banking, retail and corporate industry, offering a turnkey solution relating to any form of electronic transaction processing and account hosting services.
